

Bookshop Refurbishment Plans

We are pleased to announce plans for remodeling the front exterior of the bookshop, as well as changes to the interior floor plan including:

- New disabled access
 - Relocate the front door
 - New shopfront exterior, including new window & awning
 - Reconfiguration of interior floorplan for better space utilisation
- Here's the challenge: we need to raise £15,000 in matching funds to get underway with this project. If you would like to assist in this undertaking, please contact Maggie Hughes or Bill Lollar. We would love to get this project completed as soon as possible.
