

## Instant Art for Christianity in RE (Book 1)

Instant Art books are an invaluable resource, providing a variety of exciting stories, games, puzzles and activities to enhance religious education. The books are all copyright-free, meaning that you only need buy one to provide the whole class with photocopies of the activities and worksheets.

Illustrated by: Debbie Clark

Price: £9.99

Both books [1 & 2] use a series of structured themes and associated topics that are compatible with every locally agreed syllabus for Religious Education.

Each section is introduced with a 'spidergram' detailing the central theme and indicating the possible lines of investigation. The material can be used to start a discussion, reinforce or expand a current topic, or even as additional art for a story board, or for the children to colour.

Instant Art books are an invaluable resource, providing a variety of exciting stories, games, puzzles and activities to enhance religious education. The books are all copyright-free, meaning that you only need buy one to provide the whole class with photocopies of the activities and worksheets.
