

## Christian Assemblies for Primary Schools: Linking Worship to the National Curriculum Class Activitie

This book is packed with practical ideas for lively worship in class or whole-school assemblies. Backed up by classroom activities, readings and follow-up work across the curriculum, the assemblies are written in a lively style and offer a variety of resources for different situations, all of which have been thoroughly tried and tested in schools. Bible readings are printed out in full and attractive line drawings illustrate the text. All the activities are tailored to the National Curriculum requirements for Key Stage 2 (7-11 year olds). This imaginative and exciting book will be an essential resource for anyone taking Collective Worship.
