

More Christian Assemblies

This book is full of contemporary ideas and activities for ten weeks of class or whole-school worship. Themes include creation and authority, beginnings and endings, listening and love. Each topic is explored through lively use of a variety of media. Classroom activities, readings and follow-up work across the curriculum are suggested, with Bible readings in modern English printed out in full. All the activities are tailored to the National Curriculum requirements for Key Stage 2 (7 to 11 year olds). This innovative and stimulating book will be an essential resource for anyone leading collective worship.
