Book Review

Living Water by Brother Yun. Living water is a collection of Brother Yun's dynamic teaching that evolved from his life experiences of persecution and revival in China. Brother Yun shares how the grace of God sustained him during his darkest hours and how that darkness was transformed into infectious joy and zeal for the Lord, that are the hallmark of his ministry today. This unique book teaches us that radical faith is not chosen for a few, but for every believer who dares to call Jesus Christ lord.
